

Jumpstart Your Microsoft Azure Business

The TD SYNEX Azure Empower program offers a step-by-step guide to building a profitable and thriving Microsoft Azure cloud practice.

Did you know, partner organizations yield a net present value of \$41.05 million and a return of investment of 155% over a 3-year period.¹ Despite these benefits, Azure might seem complicated and overwhelming but with the right support, it can get more manageable.

With TD SYNEX, becoming a fully enabled Azure reseller is faster and easier than you think. Our comprehensive Azure Empower program can take you from zero to cloud practice with a walkthrough that is designed to quickly build and grow your business.

In it you'll learn how to:

Get CSP Authorized with TD SYNEX

As a TD SYNEX's CSP Program member, you gain exclusive access to Microsoft specialists, quarterly offers, workshops, and our Practice Foundations program for Azure. These perks are designed to give you the competencies you need to fuel your growth in the cloud.

Complete Your Azure Platform Onboarding and Training

Our team will guide you through the ins and outs of Azure, giving you the confidence to sell and deploy the platform like a pro. We'll walk you through setting up Azure for your customers and provide onboarding support to help you efficiently grow your Azure practice.
