Do more than you thought you could with **Chromebook Plus**

Chromebook Plus is powerful and affordable and helps your teams do more.

Work smarter, not harder.

With **2X** the power, speed, memory, and storage, and a **high definition camera and display**, your people are empowered to do their best work.¹

Built-in video call control tools automatically enhance clarity and lighting, cancel noise, and blur backgrounds.

Stay productive offline.

No Wi-Fi, no problem with **File Sync**. Available with Chromebook Plus, File Sync **automatically syncs** files to File Manager, so Google Docs, Sheets, and Slides are always accessible — **even when offline**.

Get more done with less cost.

With devices that have a **245% ROI** over three years and are lightweight, portable, secure — with long battery life — your people can work from anywhere and you could **reduce your total cost of ownership**.²

Built-in, not bolted-on security

With devices that have never had a virus and **NO reported ransomware attacks**,³ your data is secure. Plus our devices deliver **24%** fewer security attacks and a **29%** efficiency gain for IT security teams.²
