

# New Standard for Business Projectors - BU50NST -

## Real 4K Laser Business Projector BU50NST

### 4K 4K clear picture quality on up-to a 300" screen

- Excellent image quality without losing clarity, even on a large screen
- A display suitable for materials that require a sophisticated display such as 4K images and medical images

### TCO reduction through laser light source

- Long durability and maintenance of initial brightness even when used for a long time. (20,000 life-hours)
- TCO reduction due to no lamp replacement required

### Excellent usability in various environments

- Easy and convenient installation under various conditions due to lens shift, 1.6x Zoom, 12 Point Warping.
- Possesses correction function to minimize environmental constraints such as indoor brightness, narrow space, and screen curvature

Light Source	Laser (up to 20,000 hrs)
Resolution	4K UHD (3840 x 2160) <sup>1)</sup>
Brightness	5000 ANSI Lumens
Screen Size	40"~300"
Feature	Advanced Edge Adjustment (12point Warping)
	Lens shift H ±20%, V ±50%, Zoom x1.6
	5W+5W Speaker
	Internet Browser (webOS 4.5 base)
	Wireless Connectivity (Android)
	Bluetooth Sound out (Sync. Controllable)
	Office File Viewer
Size / Weight	HDBaseT <sup>1)</sup>
	DICOM
Size / Weight	15 x 11 x 6 inch / 9.7 kg

1) DICOM (Digital Imaging and Communications in Medicine) : Medical Digital Imaging and Communication Standard
