Office 365 E1 direct

For customers with no Microsoft account manager, the partner requests the passcode from Partner Center Support, referencing "Teams Trial offer"

- These are not trials; they are promos on the regular E1 and BB skus
  - Trial sku removed May
  - These two promos require an **annual commitment**
- First 6 months free; **auto converts to paid** in month 7
- Technical enforcement will be put in place to ensure trials are for **new** customers only
- Until May 4, continue to use O365 E1 CSP
- Promos are tools for partners; often our customers require additional product, capabilities and services
