

CONNECT with Stellr

Stellr Connect is a community of select SYNNEX partners, solution providers, system integrators, and VARs focused on driving Cloud, IoT, Mobility, and emerging technologies. The Stellr Connect team is committed to providing partners with sales enablement benefits that accelerate digital transformation.

Stellr connect is a community of select SYNNEX partners. Amidst dynamic digital change, customers, partners, and vendors are demanding a modernized ecosystem to ensure that they not only survive, but thrive.

Through a Connect membership, members can receive:

- ✓ Access to an exclusive LinkedIn community of like-minded, growth-oriented professionals looking to take their business to the next level. Network and participate in discussions with fellow resellers.
- ✓ Access to Stellr DEMANDSolv Channel for fresh marketing materials and weekly curated content (coming soon)
- ✓ Access to SYNNEX enablement portal with on-demand training, certifications, and resources. (coming soon)
- ✓ Eligibility to earn prizes and/or awards through community incentives.
- ✓ Quarterly executive round-tables with top SYNNEX execs and industry leaders.
- ✓ Discount on Global Knowledge training courses (Cloud/Mobility/IoT)
- ✓ Professional/field services available through SERVICESolv

"The Connect community holds a common goal of helping each other achieve business success. Through a customer – centric and peer to peer approach the bond is strengthened. SYNNEX's trusted team is dedicated to helping partners achieve their highest growth potential and known as one of the most agile distribution players in the market today."

Dean Edouarde

*Stellr advisory board member
Vice President, UGM Enterprises, Inc.*
