A+ ViewBoard® Accessories

Ace Classroom Collaboration

Sure, the ViewSonic® ViewBoard® has already made teaching easier for you, and learning more fun for your students. But did you know that with a few simple add-ons, the ViewBoard can do much, much more? Optimize the ViewBoard and ace classroom collaboration with these accessories:

- **Slot-in PCs:** Delivers additional computing power, touch functionality, and storage
- **Stands:** Choose from wall-mounted or mobile rolling stands, as well as a motorized trolley cart that allows you to raise, lower, tilt, or lay the ViewBoard flat as a table.
- **Qwizdom Ximbus™:** Whiteboarding and collaboration solution for Google™ and features Google Drive® and Contacts integration.
- **Qwizdom Oktopus™:** Award-winning collaboration software allows users to annotate and work over or alongside any application, existing content, or over a web browser
- **Solstice™ software:** Enable multiple users to simultaneously share media from multiple devices laptops, tablets, and smartphones.
- **Professional Development webinar:** Customized 1-hour virtual trainings demonstrate ViewBoard key features and workflows
- **Professional Development on-site:** 6-hour on-site trainings provide hands-on lessons for successful ViewBoard integration

With over 30 years of experience developing award-winning products and providing excellent customer support, we can help to create a customized solution for your school's changing needs.
