# How to Register to be a Cisco Partner:

1) First you must have an account with SYNNEX or Comstor. IF you do not please follow the link to become a partner with us.

Submit an online application. Link:
https://www.synnexcorp.com/us/partners/becomeresellerpartner/

• Please use Internet Explorer if possible

• Please make sure to complete all the required (red) fields.

• Phone number format: XXX-XXX-XXXX

• Please make sure to select in **PRIMARY CUSTOMER FOCUS** located in the lower portion of the application

Let us know when you have completed the process

2) You will need to create a CCO (Cisco connection online) user id to access the Cisco partner registration page.  Follow this link to obtain one. (**use chrome or Firefox if possible for Cisco applications**) https://identity.cisco.com/ui/tenants/global/v1.0/enrollment-ui

3) Before you proceed to register as a Cisco partner please ensure you have the following information ready.
   A) Your CCO id from step 2
   B) Synnex / Comstor account number
   C) When asked you need to pick (Comstor) as your preferred Distributor
   D) Soft copy of your W-9
   E) Follow the link below use your CCO to log in and register as Cisco Partner.
      https://www.cisco.com/c/en/us/partners/partner-with-cisco/channel-partner-program.html

   F) Once complete you will see a note saying this could take 8 to 10 business days, please reply back and let us know when you get this message.

4) You are now ready to be quoted and order Cisco products
5) Schedule a call with Bruce Roe brucer@synnex.com to learn how to obtain better discounting, earn rebates as well gain competitive advantages.
