While walking through the winding hot streets of Old Town, there are many hidden gems that offer a much different look inside this old western town. On this memorable food adventure you will learn about the history of each Phoenix area food scene all while enjoying delicious cuisine. This walking food and cultural tour opens your mind and palette one taste at a time. Guests will get to try a variety of foods from three unique local restaurant establishments, a unique dessert location and two to three drinks before the excursion is over. Golfing at Grayhawk

Established in 1994, Grayhawk Golf Club features two par-72 golf courses – Talon and Raptor – engineered with their own distinctive personalities. Talon offers a desert-style test of golf that skirts thick stands of Sonoran Desert and box canyons on the way to large multi-tiered greens. Raptor delivers more traditional challenges clearly laid out come-and-get-it style with generous fairways and deep greenside bunkers guarding crowned greens.
