## ADVANCING IT INNOVATIONS

Map your destination to increased productivity, cost savings and overall business success. Our distribution centers are strategically located across the United States to provide you with product where you need it when you need it. Each of our distribution centers provides our customers with warehouse ratings of nearly 100% in accuracy and PPS (pick, pack and ship) performance. Couple that with unsurpassed service from our infrastructure support, giving you one more reason why you should be doing business with SYNNEX. That's service and infrastructure support you can rely on!

## SERVICES

Sounds simple, but at SYNNEX we understand that true business growth requires access to meaningful, tangible business infrastructure, tools, and resources. That's why over the last year we've invested heavily in providing our partners with high-impact business services, designed from the ground up to provide real value, and delivering on our commitment to provide unprecedented support to our most valuable asset, our partners.
