

## LearnFit Pilot Program

Schools can obtain up to 30 LearnFit Adjustable Standing Desks + Storage Bins at a special pilot project discount of up to 70% off of list price.

- How it works**
- Contact your Ergotron channel or field representative
  - Discuss the scope of the pilot project
  - Request special LearnFit Pilot Program pricing at [www.Ergotron.com/LearnFitPilot](http://www.Ergotron.com/LearnFitPilot)

**Program Details** Limited to one promotional order per school district of up to 30 LearnFit Adjustable Standing Desks, all shipped to one location and all in one shipment.

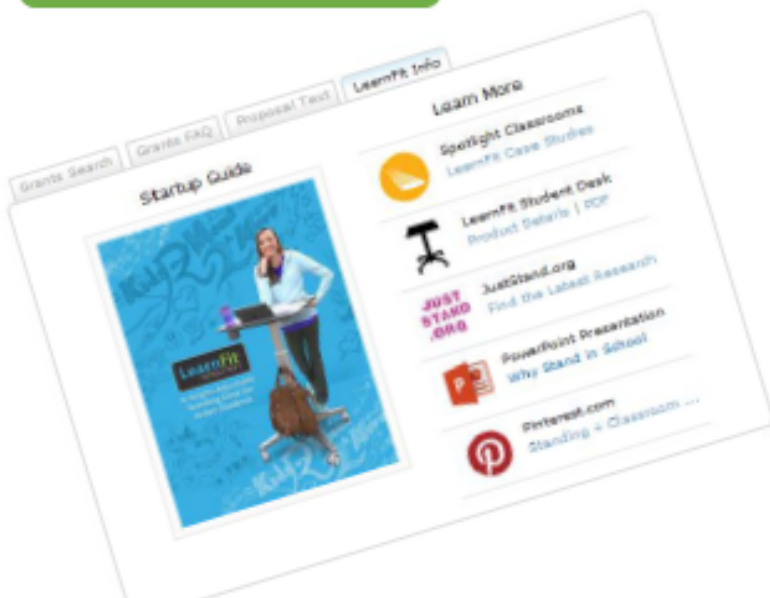

- Criteria**
- Budget for classroom furniture in next 12-18 months
  - School districts with 2,500 students, or universities with 5,000+ students

### Discussion Points for Project Approval

When reviewing with your Ergotron rep, please be prepared to discuss the following aspects of this request:

- Estimated project budget and rollout time period
- Estimated number of LearnFits for final purchase
- Number of LearnFits for pilot
- LearnFit pilot period
- Installation services required
- Objectives of the pilot project
- Impact and usability study requirements
- What are the titles and roles of your customer contacts, and their purchase authority in this area?
