

Build pipeline. Build profits.

REGISTER DEALS NOW TO EARN AN EXTRA 5 POINTS

Early this year, Ixia announced that 100% of our enterprise business would take place through channel partners. Since then we've launched powerful new products, compelling campaigns, and promotions aimed at rewarding partners' Sales and Engineering teams for their effort and success.

With all this in place, we're raising the stakes even higher to help drive pipeline and partner profitability throughout 2017. From July 15 through September 30, eligible Channel Xcelerate partners may earn an additional 5 points on opportunities registered through the <u>Ixia Partner Portal</u>.

To qualify for the Deal Registration Plus 5 Promotion, opportunities must comply with Ixia's Opportunity Registration Guidelines, be approved for deal registration by Ixia, and close on or before December 29, 2017.

When you succeed, we succeed together, so we invite you to engage your Ixia Channel Account Manager (CAM) and Regional Sales Manager (RSM) to advance new opportunities and help build momentum.
