SYNNEX & Zebra ~ AIT/EVM Government Alignment

NEWS FLASH!!!
Zebra has further defined the end-user categories into which we can sell the ENTIRE Zebra portfolio.

Who can SYNNEX sell the full Rugged Xplore portfolio to?
- Any customer no matter the vertical! There are **no limitations** on this product set.

In addition to the Xplore line, SYNNEX can distribute / sell the following product categories to a defined Government customer set (defined next).
- All Printers and Accessories
- Barcode and Card Supplies
- All Scanners and Accessories
- RFID
- Mobile Computing and Accessories

Which end users can SYNNEX sell the above product categories to?
- Federal Agencies
- State, Local, County Agencies
- All Education - private and public (excludes medical schools and teaching hospitals)
- Public Authorities (port, power, water, housing, etc.)
- Not for Profit Cooperatives (example: power, water, utilities)
- Private Non-Profit Charities and Religious Institutions
- Private EMS (Emergency Medical Services)
- Tribal Nations (excludes Casinos)

How can you check to see if the end user qualifies?
- SIC Code 82, 83, and 91-99 (http://siccode.com/)
- Email the SYNNEX team at zebra@synnex.com

If you have any questions, please let us know and we are more than happy to help navigate with your customers! The dedicated Zebra team can be reached at zebra@synnex.com.
