What is “Modern Productivity”?

The perfect complement to your laptop with modern refined designs, and beautiful colors to match your style. Today’s modern accessories with fast and reliable wireless connections, improved access to productivity tools, Microsoft 365 shortcut keys and media keys.

What does “Ergonomic” mean?

Ergonomic devices are optimized for comfort and promotes positive posture, reducing risk of repetitive stress injury (RSI).

What is “Certified for Microsoft Teams”?

Certified for Microsoft Teams accessories deliver exceptional audio and video, and are optimized to work with Microsoft Teams. With intuitive integrated buttons and features, you can participate and present in meetings with maximum control, regardless of workspace or location.

What is “for Business”?

Microsoft Accessories “for Business” are products exclusively available to our qualified commercial resellers who sell to business customers, government agencies and education institutions.

What is Advanced Encryption Standard (AES) technology?

AES is designed to help protect your information by encrypting your keystrokes.
