

Meet Microsoft Surface Pro 8

Make the workplace the work anywhere

The modern workplace isn't a place anymore. It's an attitude of getting it done from anywhere. Rapid-fire emails, chats, and meetings are no longer about an office—they're about getting it done. And your teams are all over it. They deserve the tools to take on tasks at the speed of their workday—and sometimes all at once.

The all-new Microsoft Surface Pro 8 frees them to do it all with greater flexibility. Our most powerful Pro ever combines the muscle of a laptop with the flexibility of a tablet—and every angle in between.

Power to excel, flexibility to exceed

Your teams choose how they work, Surface Pro 8 delivers.

Flexibility for every moment

The unique Surface Kickstand instantly supports work at any angle, from laptop, to desktop to portable digital canvas.

The power to multitask

Do more in more places—on-screen notes, multi-tasking, or anything—with the 11th Gen Intel® Core™ processors in Surface Pro 8.

Our most advanced pen*

Feel more natural with inking that responds to your gestures to help you work faster and more intuitively.

Crystal clear collaboration

Keep everyone smoothly editing, sharing, and collaborating with Wi-Fi 6 and optional LTE** Advanced.

Lighten even the heaviest workloads

The power to crush workloads

Take a quantum leap in speed and capability with the 11th Gen Intel® Core™ processors for unprecedented performance.

Become a master multitasker

Free your teams to set up their work their way with the bandwidth to drive multiple 4k monitors and Surface Dock 2.*

Take the limits off collaboration

Keep your teams securely and consistently connected in high definition with LTE for stunning meetings and presentations.

Draw and write naturally

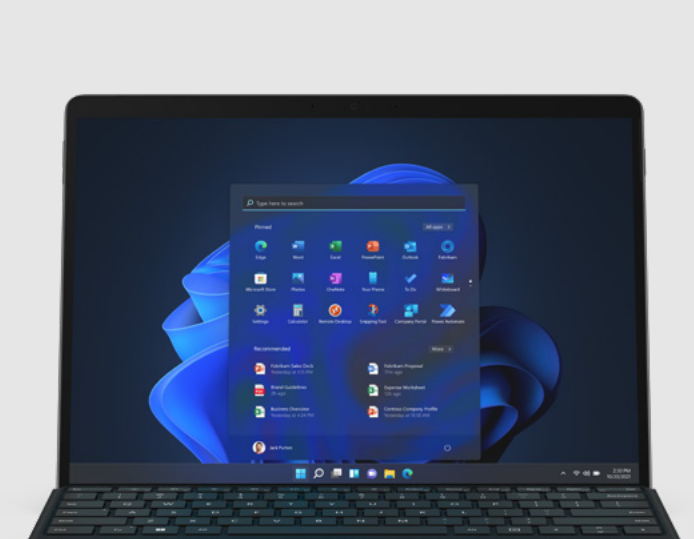

The Microsoft Surface Slim Pen 2 delivers the most advanced speed and precision for sketching, note-taking, or navigating.*

Tablet flexibility
Desktop power
Surface Pro

Choose how you take on the hybrid future

The new Surface Pro 8 delivers flexibility and performance to meet the needs of the hybrid workplace. You can choose either the current Windows 10 or new Windows 11 operating systems.

From the conference room to the design studio, explore how the Surface Pro 8 combines the muscle of a desktop with the flexibility of a tablet. It puts work, collaboration, and productivity where they should be: anywhere they get done better, faster, and with more satisfaction.
