

Next-level versatility in the perfect, premium keyboard

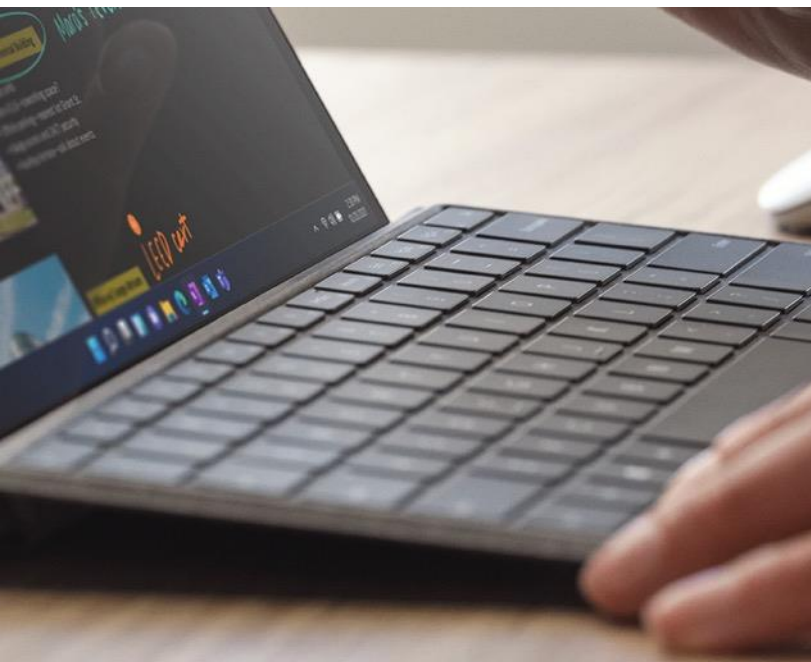

Meet Surface Pro Signature Keyboard

Always at your fingertips

Transform Surface Pro 8* or Surface Pro X* into a full laptop with this premium Keyboard. And with Surface Slim Pen 2* stored, charged and close at hand, it delivers typing and on-screen writing in one.

Surface Pro Signature Keyboard delivers fast, accurate typing like a traditional, full-size keyboard, plus natural on-screen writing with our best inking experience yet.

An exceptional typing experience

Unlock laptop-level typing with Surface Pro Signature Keyboard. Sleek and compact, it performs like a traditional laptop keyboard, complete with a large touchpad for precise control and navigation. Featuring a full mechanical keyset, backlit keys, and optimum key spacing to support fast and accurate typing.
