

Top Ten Reasons to Choose SYNNEX for Surface

one

We advocate for you! We help negotiate the best price and find inventory that's sellable quickly.

two

Leverage us for a contract support team for FED/State contracts, strong TAA inventory stance, & ITG service plan offerings for device and retention requirements

three

We have dedicated Microsoft Education specialists, former educators on staff, and grant writing support.

four

You get access to our easy-to-use SKU tool, a spreadsheet with all part numbers, FAQs, and third-party accessories.

five

We're the only distributor with pre-built SKUs for Autopilot deployments done on behalf of the reseller and end customers.

six

We have exclusive DaaS and EaaS offerings, including an Education specific program.

seven

You can get paid to activate Surface with LTE connectivity. We're partnered with all major carriers and have paid out over \$60M since program creation!

eight

Utilize SYNNEX DemandSolv automated Surface marketing campaigns that are easily customizable to your company.

nine

We have a resource-packed microsite, SYNNEX-specific incentives and promotions, events, and trainings available to help accelerate your business.

ten

Join SYNNEX Surface Launch, our partner program that rewards you for selling more Surface with SYNNEX!
