

# Your Power Distribution Partner

At ATEN, we are committed to offering smart energy solutions for data centers. ATEN NRGence™ Energy Intelligence solutions have been developed to take intelligent power management to the next level by providing real-time energy management, control and energy-saving efficiency. ATEN's intelligent eco PDUs, basic PDUs, uninterruptible power supplies (UPS) and standing network racks have been adopted in various industries all over the world including Education, Government, Transportation, Enterprise and SMB facilities.

## Why work with ATEN?

- **Significant Margins** with ATEN products - put more money in your pocket
- **Deal Registration** - to protect your ATEN opportunities
- Exceptional **Sales Support** with dedicated Channel Account Managers and Pre-Sales Engineers
- Flexible **Demo Program** – invite your customers to “test drive” ATEN products with no obligations
- Quality **Data Center products** with over 40 years of industry experience

## Questions for your customer:

- What type of solution are you looking at? **Basic / Smart PDU**
- How many outlets do you need? **8 / 10 / 12 / 16 / 24**
- What is the voltage requirement? **100-120V / 200-230V**
- How much current is needed (Amps)? **10A / 20A / 30A**
- What metering options are required? **PDU / Bank / Outlet Level**
- Do you need to switch outlets? **on / off**
- Would you like a “Smart” PDU? **These options come with free Energy & DCIM Management Software**

PDU Type	Part #	Outlets	Voltage	Amps	Form Factor	Monitoring Capabilities
 <p><b>Basic</b></p>	PE0110SA	10	100-120V	10A	0U	N/A
	PE0112A	12	100-120V	10A	0U	
	PE0210SA	10	100-120V	20A	0U	
	PE0212A	12	100-120V	20A	0U	
 <p><b>Smart PDU – Bank Metered + Switching</b></p>	PE6108A	8	100-120V	10A	1U	Temp, Humidity, Door Sensor, Diff Pressure
	PE6108AV	8	100-120V	10A	1U	
	PE6208A	8	100-120V	20A	1U	
	PE6208AV	8	100-120V	20A	1U	
	PE6216A	16	100-120V	20A	0U	
	PE6324LB	24	200-230V*	30A	0U	
 <p><b>Smart PDU – Outlet Metered + Switching</b></p>	PE8108A	8	100-120V	10A	1U	Temp, Humidity, Door Sensor, Diff Pressure
	PE8208A	8	100-120V	20A	1U	
	PE8216A	16	100-120V	20A	0U	
	PE8216B	16	200-230V*	20A	0U	
	PE8324A	24	100-120V	30A	0U
