## Tap into *Unlimited* Credit & Powerful Financial and Procurement Tools through SYNEX® RISE

**Add New Capabilities:** SYNEX® RISE gives you the financial and procurement resources to confidently bid on and win bigger deals, and to provide small- and medium-size customers with access to complete, enterprise-level financial resources.

**Virtually Unlimited Credit:** Now you can step up to growth opportunities without the usual limitations of credit capacity, vendor support, accounting infrastructure – and risk. You focus on strategic planning and closing business, and SYNEX® RISE will be there to provide you with virtually unlimited credit capacity on products procured through SYNEX, coupled with powerful logistics tools to make purchasing and shipping simpler and quicker.

**Your Fortune 500 branch office:** SYNEX® RISE provides industry-leading credit and collection solutions, accounts receivable management, and account reconciliation, while you maintain full control of your business processes. It's your business and your brand; you call the shots with the confidence of a Fortune 500 business leader.

### How SYNEX® RISE Works:

### SYNNEX® RISE Provides

- Virtually unlimited credit capacity
- The ability to break through growth barriers
- Full visibility to the status of customers' accounts receivable
- Customized collateral with only your name and branding
- Expert credit and financial analysis of your customer base and new accounts
- Expertise in a wide range of markets
  - » SLED
  - » SMB
  - » Healthcare
  - » Fortune 500
  - » Federal Government
- One source for the best products and pricing
- Credit investigations and approvals
- Dispute resolution
- Industry-leading credit and collections
