BE SYNnextraordinary

How it Works

Interns are placed in a specific department for the entire program and assigned to one of seven business units:

Marketing
Business Development
Sales
Product Management
Finance
Accounting
Treasury

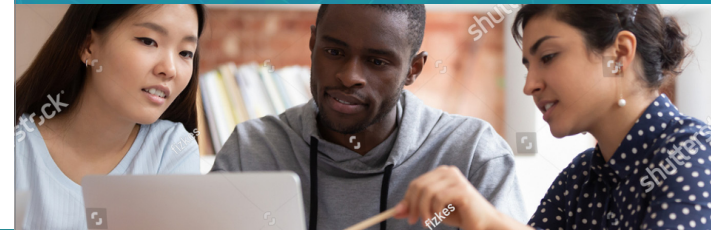

At the conclusion of the program, internship participants will present a business unit improvement plan to an audience of SYNnex Vice Presidents, Managers and fellow interns. The presentation provides an opportunity to showcase the knowledge gained, creativity and critical thinking obtained as a result of the internship's real-world business experiences.
