About SYNEX

SYNEX Corporation is a Fortune 200 corporation and a leading business process services company. We provide a comprehensive range of distribution, logistics, and integration services for the technology industry and provide outsourced services focused on customer engagement to a broad range of enterprises. SYNEX distributes information technology systems and products, while also providing systems design and integration solutions. Founded in 1980, SYNEX Corporation operates in numerous countries throughout North and South America, Asia-Pacific, and Europe.

What makes SYNEX extraordinary? We believe that success is achieved by bringing together unique points of view. Our team is comprised of innovative perspectives from a diverse group of bright minds who are inspired with a vision to imagine and the energy to make it happen. Whether you're just starting out in your career or a seasoned executive, we have a wide range of opportunities for those who have a passion for technology and a desire to bring their full self to work every day where you can grow and make a difference.

Take the next step to realize your potential and be a part of a team that embraces inclusivity and teamwork.

You're ready to Be SYNEXtraordinary!

Our Recruitment Process

Our recruiting experience is digital! Technology is at the core of our business – we don't just sell technology, we use it. The power of digital interviewing allows you the flexibility of using your computer or mobile device to record your interview on your own schedule in the comfort of your home. Our recruiting process allows you to tell your story in a stress-free way that is interactive and fun. We look forward to hearing from you.

Visit our careers page at www.synnecorp.com/careers/ for more information on how to become a Discovery Representative.

@ SYNEX Corporation, we believe employees are our greatest asset and we empower them to make a difference in our business. Diversity and inclusion makes us all better. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.

Discovery Rep Goal

The Discovery Representative Program is a full-time rotational program designed to immerse recent college or university graduates and career changers into the world of IT Distribution, IT Solutions, Supply Chain Management, and functions of Business Operations.

How it Works

As a Discovery Representative, you are an associate in training being fueled with the knowledge and skills needed to become a trusted industry partner. On each of your two-month rotations, you will gain experience working on meaningful business projects and delivering on the SYNnex principles of Visibility, Velocity, and Value.:

Get Inspired by the Work You'll Do

Your rotations will be matched by your career interest and opportunities available in applicable business units.
